Dear Jess:

Many thanks for your letter of November 30. I was especially interested in your review of the status of Support Planning. Thanks in large part to your efforts, we have come a long way since 1957 and I am very pleased to know that there is now an approved Support Annex on which we can base additional Support Planning efforts. Incidentally, it may interest you to know that certain parts of the Annex are being sent to [REDACTED] for his guidance.

I am sorry that I was on leave when you were here in December and did not get to see you. However, [REDACTED] have told me of their talks with you, and I gather that everything went off just about as you had hoped that it would.

Please give my thanks to [REDACTED] for his contribution to this fine piece of work and to you and your Staff my best wishes for the New Year.

Sincerely,

[REDACTED]
L. K. White
